  TITLE     Direct Submission
  JOURNAL   Submitted (31-JUL-2002) National Center for Biotechnology
            Information, NIH, Bethesda, MD 20894, USA
COMMENT     GENOME ANNOTATION REFSEQ:  This model reference sequence was
            predicted from NCBI contig NT_010463 by automated computational
            analysis using gene prediction method: GenomeScan, supported by EST
            evidence.
            Also see:
                Documentation of NCBI's Annotation Process
